Circular No 64

Dear Brother / Companion

**“Let’s Talk Masonry” – a Conference organised by the Province of East Lancashire  
Saturday, 14 March 2009, at Hemsley House, Salford**

The RW Provincial Grand Master / ME Grand Superintendent has asked me to commend to you the Let’s Talk Masonry Conference. This is a major initiative and part of a number of Provincial activities specifically designed to support Mentoring, which is at the heart of ensuring the future success of Freemasonry.

The central theme of the Conference is “Ritual” and its primary purpose is to give insight into the evolution and meanings of the ritual we practice. This, together with the relevance and value of the teachings it contains, pays a very large part in the way we Masons conduct our everyday lives in today’s world. The conference is aimed particularly to appeal to both new Freemasons as well as to their more experienced counterparts.

As part of the Mentoring initiative, the Conference is regarded as being of such value that the Provincial Grand Master / ME Grand Superintendent and many of his senior colleagues will be attending. The atmosphere will be relaxed and informal and will give the opportunity of meeting many members of the Province.

Please assist by circulating this email and the attached advertising poster, which gives details of the event and how to obtain a ticket, to all whom you think will be interested in attending.

Yours sincerely and fraternally,

*Alan Garnett*

Provincial Grand Secretary / Scribe E
