Assistants to the Provincial Grand Principals  
District Officers, Royal Arch  
District Chairmen

## Circular No 58

30 May 2008

Dear Companion Scribe E.,

### Provincial Honours 2009

Please find attached a statement [Appendix A], which explains the Royal Arch Provincial Honours system for the 2009 Honours, together with a "2009 Royal Arch Honours Application Form" [Appendix B] and the "East Lancashire Honours' Scheme" [Appendix C], which the Honours' Panel hopes will assist you in the recommendation of suitable Companions.

Chapters are now no longer "on petition", but *the Chapter* is now able forward to the Province an application form for any *qualified* member.

If your Chapter wishes to submit an application for a Companion of your Chapter, then please forward a completed 2009 Honours Application Form for consideration. Further copies are available on the Secretariat section of the Provincial Web site. [[www.pglel.co.uk](http://www.pglel.co.uk)]

The application form should be completed and sent to your District Officer Royal Arch [not the Provincial Office] by **31 October 2008**.

### Special Meeting of Provincial Grand Lodge / Provincial Grand Chapter

I would remind you that the Installation Meeting of our new Provincial Grand Master / ME Grand Superintendent, Jack Price, is to be held on **Wednesday, 18 June 2008**, at King George's Hall, Blackburn. The RA Meeting will commence at 11 am and the Craft Meeting will commence at 4.30 pm. Please encourage as many members of your Chapter [or your Lodge, if qualified] to attend one or both of these very special Meetings.

[In particular, the attendance at the Craft meeting of Master Masons is very welcome].

### Provincial Meetings

The next meeting of Provincial Grand Lodge will be held on **Thursday, 27 November 2008** and Provincial Grand Chapter on **Thursday, 26 March 2009**. Both meetings will be at King George's Hall, Blackburn. Please place these dates on your Chapter Summons.

Yours sincerely and fraternally,

*Alan Garnett*

Provincial Grand Scribe E
